

What are you doing this summer?

We know there are a million reasons not to go to debate institute. That's why we created SummerDebate.com. Together with Marquette University, we've created an online debate institute for coaches or students. Our goal is to level the playing field and provide great opportunities for those who lack the time or money for traditional institutes. Our programs offer the curriculum of a 3 week camp for up to *only* \$349. We offer coaches 180 clock hours (18 CEUs) for *only* \$500. Here's the best part. We really want this to be a meaningful experience. Therefore, coaches who go through the summer program can register their own students for *only* \$25/student and use it throughout the school year. Some schools use it as a topic and theory interactive textbook. Debate is hard. Let us help you.
